INFO DISABLED ACCESS

You can purchase tickets for the disabled at any of these retailers BoxOffice Lazio in the Lazio region (full list of retailers is available on site:

<http://www.boxofficelazio.it/> CLICK ON the link "Dealers").

Those who buy from outside Lazio REGION can book the ticket by filling out the form

on <http://www.boxofficelazio.it/diversamente-abili/>

The cost of the ticket varies depending on the concert.

As required by the legislation of this industry, people with this title have access to a reserved area, specifically set up for their needs, reachable through a dedicated entrance. The entrance is guaranteed both for the disabled person and his companion.

In order to avoid misunderstandings, we would like to clarify that the ticket holder IS the disabled person and not his/her tutor.

It is necessary to proof a certificate attesting 100% disability (with the need to be followed by a companion), in order to purchase the ticket.
